four easy steps to an AXA Equitable appointment

1. Complete the Personal Data Sheet

The Personal Data Sheet is used to obtain information necessary to establish a file on the agent requesting an appointment with AXA Equitable.

2. Attach a Copy of Your Resident State Insurance License

Agent should have been issued a certificate (license) when he/she passed his/her resident state insurance exam. If you do not have a copy of this certificate, please contact your resident state and have a duplicate license issued and mailed to you.

3. Attach Your Non-Resident State Insurance License

If an agent is going to be soliciting clients in a state(s) other than his/her resident state, he/she must obtain the appropriate securities license and state registration(s) as well as an insurance license(s) with the proper line(s) of authority (varies by state). Please contact your Broker/Dealer home office for assistance in obtaining non-resident licenses.

4. Attach Your Form U-4 Status Report

Your Form U-4 Status Report (CRD) is maintained at your Broker/Dealer's Home Office; please contact your licensing department to obtain a copy.
